Board Sponsor (presenting) so far with a plan going forward at the CGC meeting in March 2019.

- 2) Strategic paper to the Board in May 2019.
- 3) Assurance report on the Endoscopy contract at the CGC in July 2019

3) Positive assurance – SFT has achieved excellent results in the national maternity survey 2018. Areas where scores had improved reflected the targeted work undertaken.
